

# Craft Brewery Program

Agile is proud to support local craft brewing operations. With an in depth understanding of the unique exposures facing craft brewers, our program can be tailored to meet the needs of your craft brewery clients.

Product highlights such as Product Recall, Brands & Labels, Production Machinery and Host Liquor Liability provide the protection your clients need to grow their business with confidence.

## Target classes:

- Brewpubs
- Craft Cideries
- Craft Distilleries
- Nano Breweries
- Home Brewers
- Start-Ups
- Microbreweries
- Taprooms

## Coverage highlights:

- Property coverage
- Equipment breakdown
- Crime
- Cyber
- Commercial general liability

Agile understands that each brewery has its own special needs. From tap room exposure, to production & logistical concerns, all of these specific needs can be addressed and covered by our comprehensive brewery program.
