

# Builder's Risk Insurance

There's a lot to keep on top of when it comes to new construction projects or major renovations. Agile is happy to offer unique coverages to insure your clients' build, giving them peace of mind to get the job done right.

## Appetite:

- Project term up to 24 months
- \$10M+ COC capacity
- Wood Frame, masonry, non-combustible and fire resistive construction
- Residential and commercial projects, including completed industrial buildings i.e. warehouses, manufacturing
- Multiple FUS grades
- Locations/projects across Canada (except QC)

## Coverages Available:

- Hard and soft costs
- Business interruption (delayed start up)
- SBU, flood, and earthquake available
- Property In transit and off-site
- Equipment breakdown coverage including testing & commissioning (hot and cold)
- Wrap up liability (\$10M+ limits)
- And more
